Experienced

Ball State Daily News

Editor-in-Chief | August 2013-present

The Ball State Daily News prints four days a week and publishes to ballstatedaily.com everyday. It has a circulation of about 8,000.

- Oversee a large group of award-winning photographers, reporters, designers and copy editors
- Coordinate with news partners to contribute to ballstatedaily.com and a weekly iPad app with content from different student media organizations
- Cover issues of student interest, including debates regarding academic freedom and controversial remarks from elected officials
- Lead a redesign of the print and web products

Chicago Tribune

Graphics Intern | May 2013-August 2013

The Chicago Tribune is the largest daily newspaper in the city and provides news for the metro area, Illinois and parts of surrounding states.

- Produced more than 40 graphics throughout the summer
- Had pieces nominated for monthly design contest twice
- Frequently designed centerpieces for section fronts
- Was invited to continue working after internship ended

Indianapolis Star

Page Designer, Pulliam Fellow | June 2012-August 2012

The Indianapolis Star is among the largest Gannett newspapers and recently announced an initiative to increase the size of its print product.

- Designed six to eight pages nightly and independently
- Conceptualized and oversaw art direction for weekly features
- Designed for every section of the newspaper at least once
